DO YOU WANT TO HELP
make the
INTERNET SAFER?

EVERYONE HAS A ROLE TO PLAY.

Here are five things you can do to be a responsible digital citizen:

SAFER FOR ME, MORE SECURE FOR ALL: What you do online has the potential to affect everyone – at home, at work and around the world. Practicing good online habits benefits the global digital community.

POST ONLY ABOUT OTHERS AS YOU HAVE THEM POST ABOUT YOU: The golden rule applies online as well.

STOP | THINK | CONNECT™

OWN YOUR ONLINE PRESENCE Use available tools to manage who sees the things you post online and with whom you share information.

BE WEB WISE Only download legal copies of media, apps and software.

SHARE WITH CARE What you post can last a lifetime: Before posting something online, think about how it could be perceived now and in the future. Be thoughtful about what you post about others.
